INCREASE IN PRICE OF LEAD AND COPPER

LOCAL PEOPLE TO FEEL EFFECT OF EUROPEAN WAR ON THIS ACCOUNT.

10 TO 20 PER CENT

Sullivan Hardware Co. Has Been Advised of Rise—Affect Plumbing Supplies.

Mr. Chas. S. Sullivan stated yesterday morning that there had been a tremendous increase in price in all lead and galvanized and copper goods. In some instances the increase is said to be as much as 10 to 20 per cent.

The Sullivan Hardware company has received two telegrams from concerns from which they buy these supplies, advising them that there was an advance from 10 to 18 2-3 per cent on ammunition, lead supplies, galvanized ware and copper goods. It was also stated that it was almost impossible to get lead at any price. Mr. Sullivan stated yesterday that they had been selling these goods at retail cheaper than they could now buy them at wholesale.

This increase is supposed to be caused by the present war in Europe and it has also been mentioned that probably the United States has put in an order for a large supply of ammunition. It is not known whether the prices will go higher or not but in all probability they will.

This is one of the direct effects of the war that will be felt by local people. It means that all ammunition will be high and all lead and copper goods. But most important of all is the effect that it will have on the plumber's supplied pipes will be greatly increased and this alone will affect the people generally.

When it is known that Sullivan Hardware company purchases about \$25,000 worth of ammunition a year, it can be seen what effect this increase will have on their business.

OCONEE COUNTY SUMMER SCHOOL

Session Opened Monday in Walhalla High School—Many in Attendance.

Walhalla, June 15.—The Oconee County Summer school for teachers opened this morning in the auditorium of the Walhalla High school, under most favorable auspices. Prof. L. A. Sease, of Clemson College, is principal of the school, and at the opening session this morning introduced Mayor W. M. Brown who delivered an address of welcome in behalf of the town of Walhalla. Maj. Wm. J. Stribling delivered an address in behalf of the county board of education. Prof. E. J. Wells, of Clemson college, responded in a happy manner to these addresses. The devotional exercises were conducted by Rev. Geo. M. Wilcox, pastor of the Walhalla Presbyterian church. The school will last for four weeks, and the faculty is composed of Prof. L. A. Sease, principal,

and instructor in English Grammar, Composition and Literature, Prof. J. E. Hunter, Clemson College, agriculture, algebra, arithmetic, Miss Sallie Stribling, Walhalla, Industrial arts, geography, primary methods, Prof. B. J. Wells, Clemson College, civics, history, pedagogy. This faculty composed the teachers of the 1914 summer school. The enrollment of the first day was sixty-two, more than fifty of whom were women. A number of free lectures to which the people of Walhalla and vicinity are invited will be given in the school auditorium on nights during the session. The presence of this faculty and the teachers during this summer school means much to the educational and social life of the town.

Maj. and Mrs. A. G. Shanklin, Mr. McCurry Neville and Miss Janie Neville leave today for San Francisco to visit the Panama exposition. Harry D. Hughes has returned from Columbia after standing the successful examination for admission to the bar. Mr. Hughes will open an office in Walhalla.

Rev. George M. Wilcox and Judge J. W. Holleman are in Seneca attending the session of the Piedmont Presbytery.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

S. FLEISCHMAN GONE TO NORTHERN MARKET

Will Purchase Goods For Fall Trade—Move Into New Store Sept. 1.

Mr. S. Fleischman left yesterday for the lower part of the state where he went to look after stores of Fleischman Bros. in Florence and Marion. From there he will go to the northern markets where he will purchase a stock of fall and winter goods. As stated a few days ago, Fleischman Bros. will about September 1, move into the quarters now occupied by Osborne & Pearson. The store is to be repainted and fixed up inside and when the move is made their stock will be greatly increased and new lines added. This firm has six stores in South and North Carolina, two in this city, and one each in the following places: Florence and Marion, S. C., and Fayetteville and Dunn, N. C. They came to this city in 1908 and since that time have made many customers and friends who will be pleased that they are to move into larger and better quarters.
